

Duraline®

Splitters, "Y" Adapters, and Spider Assemblies

Industrial Strength Electrical Products for Industrial Strength Users

Duraline® **Splitters, "Y" Adapters, and Spider Assemblies**

Duraline molded **Splitters, "Y" Adapters, and Spider Assemblies** provide multiple outlets and plugs from a single input power source. These assemblies are extremely versatile and can be configured to an almost limitless number of options to meet any need or specification. Inputs and outputs can use single, 2, 3, 4, or 5-wire cable, and can be arranged to utilize multi-phase power sources. Assemblies use a single input line and can have anywhere from 2 to 6 output legs. All products are integrally molded directly to SOOW or DLO cable in solid rubber that is flame retardant and UV stabilized.

These splitters are incredibly durable and weather resistant and useful in many applications. From outdoor festivals and events, to indoor productions, to construction projects, these assemblies will hold up to many rugged and abusive environments and continue to perform to the same standards. Each piece is individually tested by our in house quality team to ensure that our customers always get the high quality they deserve! So, contact a member of our sales team today to get the very best in power Splitters, "Y" Adapters, and Spider Assemblies!

2 Leg Spiders

Part Number	Input Cable	Input Length	Output Cable	Output Length	Plugs
M192401-010B-006-BLU	10/3	3'	10/3	3'	3MT20/3FT20-S
M186200-535B-004-BLK	535 MCM	4'	535 MCM	4'	E1022/E1022

Listed above is a small selection of commonly requested splitters and adapters. Duraline's Spider assemblies are custom tailored to the users need. If a standard array does not fit your need, contact our Sales Teams at 386-873-2990

With over 70 years experience, we know exactly what you need.

Duraline was founded in 1946 as a supplier of safety-engineered electrical distribution systems for the shipbuilding industries. We have since grown to supply diverse industries such as petrochemical, aviation, medical, and entertainment.

Duraline products are proudly made in the U.S.A. All of the manufacturing is done in our Florida facility, established in 2012. To guarantee that our products are safe, we follow the most stringent manufacturing and quality control requirements and manufacture our products to conform with several recognized industry standards.

Duraline is committed to bringing the best product possible to our customers, including developing new products to match any needs our customers might have.
